THE NEWSPAPER OF THE TRADE UNIONS

## **DURING THIS PERIOD IN GREECE, VARIOUS MILITANT - STRIKE MOBILISATIONS HAVE TAKEN PLACE AND OTHERS ARE ONGOING.**

Regional Trade Unions Centers - Federations and Trade Unions have taken the lead in organising these mobilisations. Thousands of workers took part despite the state repression, the employer's terror, which even went so far as to dismiss union managements.

They fought for collective agreements, for wage increases, for health and safety at workplaces. Battles like those of the workers at Allou! Fun Park, at Speedex, at the port of Piraeus at COSCO, who continue to fight for the signing of a collective agreement.

Also mobilizations are taking place in tourism - food service, in commerce. A strike is also being prepared by the seafarers on the ships of the Andriatic Sea on 3 and 4 June.

PAME, the trade unions expressed their solidarity with the migrant farm workers in Manolada, for their living and working conditions etc.

PAME expressed the solidarity of the trade unions with the heroic Palestinian people through rallies in many cities of the country.

We continue the struggle

We strengthen our solidarity

A strong worker is an organised worker
